## EDUCATION

- |   |        |
|---|--------|
| •Hemwati Nandan Bahuguna Garhwal University(A Central University) | 2023   |
| B.tech in Information Technology                                  | 7.0    |
| •St.Theresa's Convent School Srinagar,Garhwal                     | 2019   |
| Indian School Certificate Examination, ISCE                       | 88.00% |
| •St.Theresa's Convent School Srinagar,Garhwal                     | 2017   |
| Indian Certificate For Secondary School, ICSE                     | 82.00% |

## EXPERIENCE

- |   |                   |
|---|-------------------|
| •Behere ELite Private Ltd   | Aug 2022-Dec 2022 |
| Software Developer Inter(Full Stack)  | Delhi             |
| – Collaborated with a team to develop an e-commerce application with Api integration to render dynamic content from the database. |                   |
| – Breaking pages into components in order to make efficient and reusable code.  |                   |
| – TechStack used - ReactJs, MongoDB, NodeJs, ExpressJs, RestApi, and Github.  |                   |
| •The Sparks Foundation (GRIP)   | Jul 2022-Aug 2022 |
| Web Developer Intern  | Remote            |
| – Simulated a Full stack Basic Bank application using MERN stack with functionality like sending and receiving data.              |                   |
| – Displaying the user's balance and hosted web application in render.com  |                   |

## PERSONAL PROJECTS

- |  |                      |
|--|----------------------|
| •My Portfolio  | Feb 2022- March 2022 |
| This is a cutting-edge portfolio web application, showcasing my skills, all live projects, and coding profiles.  |                      |
| – Tech Used - HTML,CSS,React.js,Material-UI,Vercel,Web Hosting   |                      |
| – Link - <a href="https://portfolio-ritesh9211.vercel.app/">https://portfolio-ritesh9211.vercel.app/</a>   |                      |
| •Personal Task Manager   | May 2022- June 2022  |
| This application will help the users to track their goal like time spend in a particular task  |                      |
| – Tech Used - HTML,CSS,React.js,Redux,Material-UI,Vercel,Web Hosting   |                      |
| – Link - <a href="https://imaginative-haupia-00def5.netlify.app/">https://imaginative-haupia-00def5.netlify.app/</a>   |                      |
| •Blog Application  | Feb 2022- March 2022 |
| The project aimed to develop a modern blog application using ReactJS.  |                      |
| – This is a full stack blog application which includes features such as user authentication and authorization, blog post by the registered users with image , creation , editing/deleting of blog , Changing of username password etc. |                      |
| – Link - <a href="https://blogfrontend-p3q6.onrender.com/">https://blogfrontend-p3q6.onrender.com/</a>   |                      |
| •Playstore Data Analysis   | Feb 2022- April2022  |
| The project utilized Python programming language and various libraries such as Pandas, NumPy, and Matplotlib   |                      |
| – Performed a comprehensive analysis of Play Store data to gain insights into user behavior, app trends, and other key metrics   |                      |
| – Tech Used - python,SQL,Tableau,Kaggle,Orange,  |                      |

## TECHNICAL SKILLS AND INTERESTS

Languages: C++, Java, Python

FrameWorks / Tools: HTML , CSS, JavaScript, React.js, NodeJS, Express.Js,PostManApi,Git,Linux

Databases:MySql,MongoDB

## POSITIONS OF RESPONSIBILITY

- |  |           |
|--|-----------|
| •Member of Institute Innovation Cell,                                  | 2021-2022 |
| Organising meetings and events to encourage innovations among students |           |

## ACHIEVEMENTS

- Solved 400+ question on various coding platform
- Developed and hosted multiple Full stack web applications in order to gain hands-on experience
- 3\* at CodeChef and 8th institute coding rank in GFG
